

my little someone
m: andrej prozorov, fatima spar
w: fatima spar

do it again like children do
full with new plans' a dreamer are you
you don't walk around
and look for every single stone on the ground

you are brave
when you have
to feel strong' weak
all in one
sometimes wrong
all belongs
to you my love
beloved' to you

you stand up
when you have
to shout and yell
break any spell
my purpose is you
save the whole of me that is for you

this someone is you
is the one for me
it's just you!
you' me and you

this is it!
since you are
all cracks in me
have gone so far
you have
my kissing lips
my little someone
my dear
